The Migrant Information Centre received funding from the Department of Family and Community Services Local Answers and Family Relationships Services for Humanitarian Entrants programs to provide support to refugee and migrant families.

WE AIM TO:

- Improve family relationships
- Reduce inter-generational conflict between parents and their children
- Encourage positive communication between parents

WE PROVIDE:

- Individual support
- Family and child support programs
- Relationship support
- Mediation services
- Parent education
- Linking families to youth and family support services

For more information or referral to the program please contact:
